

The American Legion

Department of Texas

Division 1, District 1

January 28, 2012

Hello, to each of you! I pray the New Year has been good so far! Many of you know; we have had some major changes happen within our District in the last two months. We need you to attend the upcoming District Convention.

We will be holding our Spring District Convention on Saturday, March 10, 2012, at Post 488, New Boston, TX. Cost of registration will be \$20, regardless of when you register. We have made some changes to the Agenda Format for this Convention. Registration will begin at 0800, and we will start our business session at 0900, and Lunch is part of the registration. We have several issues to cover during the business session, besides your Post's Activity Reports, District Committees' Reports; we will be electing a new Vice Commander. We also, will be presenting for discussion some other changes to District Procedures for future District Conventions.

We need every Post to be represented at this Convention. This is for all of us, not just a few. We need everyone to be involved not only at your Post, but at the District, too.

We will have training after lunch on several issues. One will be over the My Legion Program, and Post Operations. We will if time permits have an open discussion on any topic that anyone feels they need to cover.

If any Post does not receive a Convention Call within the next 30 days, then please contact me. I will forward a Convention Registration Form and a Convention Delegate Form. My phone number is 903-720-2316, and my email is legion1dis@aol.com.

Another note, we need for each of you to get membership as your priority!! We need the District to be #1 again. We can do it, but each must express to your membership that it takes everyone's effort to accomplish this mission. There are awards for anyone that enlists a new member!! Just ask!!!

FOR GOD AND COUNTRY

Bobby Baker
Temporary District Vice Commander
First District, Judge Advocate
