Slim, lightweight and compact for personal protection. Just slightly larger (less than 1" taller and 1" longer) than the popular and incredibly compact LCP®. Includes finger grip extension floorplate that can be added to the magazine for comfort and improved grip. Sights are machined integrally with the slide and feature glare-reducing, rear-facing serrations. Safety features include integrated trigger safety, manual safety, magazine disconnect and inspection port that allows for visual confirmation of a loaded or empty chamber.</p> |
